## NEW! CAPSULE MACHINE LIQUID FILLING/SEALING ACCESSORY KIT

The liquid filling accessory kit includes Drying Rack, Sealing Solution (6 ounces for hundreds of capsules), dropper, silicone brush, and ejection pusher. Seals and dries 24 capsules at a time. The solution goes in the top of the capsules and then the 24 capsules are joined. The solution (100% Pure Cacao Seed Butter) solidifies at room temperature, preventing leakage of the liquid. Not for use with liquids containing water. \$18.50  
Additional individual parts are also available for purchase.

After dipping tops in Sealing Solution, the liquid capsules are joined (above). Then capsules are ejected into drying rack (left), where they are allowed to dry (below).

- SEALING SOLUTION REFILLS: 100% Pure Food Grade Cacao Seed Butter: 6 oz. - \$7.50    16 oz. - \$15.75
- ADDITIONAL DRYING RACKS: 1 - \$8.95    4 for \$27.56  
By using extra drying racks you can immediately make additional batches of 24 capsules while the other batch is drying
- ADDITIONAL DROPPERS and SILICONE BRUSHES: \$ 1.25 each
- ADDITIONAL EJECTION PUSHERS: \$1.95
